Introduction:  
<https://www.rd.com/article/kindness-strangers/>  
Two stories of the kindness of strangers, demonstrating love to others.

What is love?

Love Is a Verb  
According to Dr. Sternberg, consummate love may be harder to maintain than it is to achieve, as the components of love must be put into action. Without behavior and expression, passion is lost and love may revert back to the companionate type.

1. Agape- Unconditional Love
2. Eros- Romantic Love
3. Philia- Affectionate Love
4. Philautia- Self-Love
5. Storge- Familiar Love
6. Pragma- Enduring Love
7. Ludus- Playful Love
8. Mania- Obsessive Love

What is God's Love?  
God's love is perfect and all-encompassing and unconditional.  
God will not allow ANYTHING to go between us and His love.  
God's love has NO boundaries!

Romans 8:35-39 NLT  
<small><font color="#999999">35</font></small> Can anything ever separate us from Christ's love? Does it mean he no longer loves us if we have trouble or calamity, or are persecuted, or hungry, or destitute, or in danger, or threatened with death? <small><font color="#999999">36</font></small> (As the Scriptures say, "For your sake we are killed every day; we are being slaughtered like sheep.") <small><font color="#999999">37</font></small> No, despite all these things, overwhelming victory is ours through Christ, who loved us. <small><font color="#999999">38</font></small> And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. <small><font color="#999999">39</font></small> No power in the sky above or in the earth below—indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord.

This is how we know we are in him: <small><font color="#999999">6</font></small> Whoever claims to live in him must live as Jesus did. <small><font color="#999999">7</font></small> Dear friends, I am not writing you a new command but an old one, which you have had since the beginning. This old command is the message you have heard. <small><font color="#999999">8</font></small> Yet I am writing you a new command; its truth is seen in him and in you, because the darkness is passing and the true light is already shining. <small><font color="#999999">9</font></small> Anyone who claims to be in the light but hates a brother or sister is still in the darkness. <small><font color="#999999">10</font></small> Anyone who loves their brother and sister lives in the light, and there is nothing in them to make them stumble. <small><font color="#999999">11</font></small> But anyone who hates a brother or sister is in the darkness and walks around in the darkness. They do not know where they are going, because the darkness has blinded them.
